Year	12
Course	English language A Level
Specification Number/Exam Board	AQA 7702
Examination Papers and Weighting	7702/1 40% 7702/2 40% NEA 20%

Prior Learning

The course builds on prior learning by...

Building on analytical skills developed on their GCSE English course. This will be further developed by exploring how English works as a language in scientific detail, investigating how writers use language to convey meaning in contemporary and archaic written, spoken and multi-modal texts.

Curriculum Intent – What are the curriculum aims?

- *During the course, students will explore the theories and issues surrounding language use, and its importance and influence in society.*
- *Students will understand how to craft language skilfully and clearly to convey meanings and coherent arguments.*
- *Students will develop the skills to complete data analysis, discursive essays, directed writing, original writing and research-based investigative writing.*
